Meal Train Sign-Up Sheet

For: _____ (friend or family) · Coordinated by: _____ · Phone/text: _____

A few meals, one family, plenty of help. Pick a day, write your name, and tell the coordinator what you'll bring. Simple as that — one follow-through is worth ten intentions.

Date	Your name	Phone / text	Meal time (breakfast / lunch / dinner)	What I'm planning to bring	Drop-off window

Before you sign up: check the dietary-needs grid first, then check for gaps rather than clusters — Mondays fill up, Tuesdays stay open. Store-bought counts. So does a pan of lasagna that covers two nights.

Signing up for the freezer? Mark "FOR FREEZER" in the "what I'm bringing" box. Freeze-ahead meals help most in weeks two through five, after the casseroles run out.

Can't cook? Sign up anyway: a gallon of milk, cut fruit, paper plates, cold drinks, or a $15 takeout gift card keep a household running exactly as well as a hot dish.

Copy me a text (optional)

"Hi, it's _____. I took _____ on the meal train for _____. Dropping off _____ around _____ . Anything I should know before I swing by?"
